## Board Fails To Settle Question Of Forty Feet

The hassle over the "famous forty feet" adjacent to the Orchard St. shopping plaza ended again in a "no decision" at Tuesday night's meeting of the village board.

Ernest Glenn, chairman of the committee appointed by the Mayor to reach an agreement with the plaza officials, left the board meeting when board members refused to second his motion to take steps to vacate the forty feet in favor of the plaza.

A few moments before he left the meeting, Glenn was asked to again assume chairmanship of the committee and meet with plaza officials. Glenn threw up his hands and said, "No, I wash my hands of the whole thing. I've been stabbed in the back enough."

This was the second board meeting at which Glenn had given the committee report on the negotiations with the plaza. He again reported that a majority of the committee favored honoring their original agreement with the plaza and vacating the forty-foot strip, with the provision that the property will remain open, unfenced public parking.

Members of the committee favoring that the property be vacated are Glenn, chairman, Dave Nissen, and Einar Petersen. The fourth member, Ray Toft, is opposed to the move, although he voted in favor of it a year ago when plaza officials first made the request.

Toft and Cunningham now contend that the agreement made with plaza officials a year ago provided that the plaza be allowed to lease the land.

This has since been found illegal. The village board must advertise the property for bids by any interested parties if they wish to lease it.

For this reason, Fred Walpole asked the board to vacate the property in favor of the plaza, pointing out that the plaza had agreed to give a thirty foot road through the south end of the plaza to the village parking lot for the use of the public. This would join a 30 foot road through the south end of the parking lot, creating a through lane from Hillside to Broadway, relieving traffic congestion.

Opposition from Mayor Cunningham and Ray Toft developed at that time. In meetings since, board members in favor of vacating the 40-foot strip have pointed out several reasons that they favor the move:

11. The board agreed to this concession one year ago and should honor the agreement because plaza promoters have proceeded on the assumption that they would have the use of the property for parking. Dr. Vermeren and Fred Walpole have pointed out that desirable tenants will be lost and the progress of the plaza stymied without the promised property.

Ernest Glenn read the original minutes, detailing the agreement, at last night's board meeting. A certified copy of these minutes was given plaza officials a year ago, to present to prospective tenants.

The original motion provided that the board would "give lease or title to" the Plaza of the forty feet. At the next board meeting, the minutes were amended to read that the board would lease the property. However, plaza officials were not notified of the change.

2. Board members Glenn, Petersen, Williams and Nissen have pointed out that they can see no objection to the move, and considerable benefit to the village. If the property is vacated, plaza officials will pay to have it blacktopped, maintained, and cleared of snow in the winter. They will also pay taxes on it.

In its present status as village property, the village will have to blacktop and maintain it, and will receive no taxes on it.

At present, it is part of a 70 foot road and the village will receive no taxes on it.

At present, it is part of a 70 foot strip into the parking lot. A thirty foot road will remain if the forty feet are released to the plaza for parking. A provision of the agreement to vacate is that it shall remain forever free, unfenced, public parking.

3. Board members have pointed out an effort should be made to settle the problem so that the plaza can proceed. The plaza, they point out, should stimulate trade in Antioch and bring in tax money.

Mayor Cunningham read a petition at Tuesday night's board meeting asking that the forty feet of land not be given to the plaza. The petition bore 39 signatures.

Dr. Vermeren pointed out that it was "not a gift, but a trade." The plaza, he said, is giving a 30 foot road for the public use through their property in return.

Roger William pointed out that if use of the forty feet is not made available to the plaza, they would now be under no obligation to dedicate the thirty-foot through road on the south end of their property. This, he pointed out, would mean that customers would leave the plaza by the Hillside entrance, thus drawing more trade away from the business section of Antioch and encouraging the flow of business to the west.

Contacted after the meeting and asked why he had not seconded Mr. Glenn's motion to vacate the property, Mr. Williams said that he wanted the motion carefully drawn up and legally worded to cover the provisions imposed by the board before being put to a vote. He would like to be sure, he said, that each board member knew what he was voting on, and that all points were covered by the motion.

The discussion ended with the Mayor sending the matter back to committee.

In other business, George Grunow presented sample letters to the board for the

### Kenosha Co. Fair Draws Large Crowd

An estimated 41,500 people brought the Kenosha County fair attendance to better than 1,500 over last year's near 40,000 at its close Sunday night, August 16.

Four days of ideal weather, plus excellent exhibits and quality entertainment were factors in its success, according to the fair officials.

Capacity audiences filled the grandstand Friday, Saturday and Sunday afternoon and evening for the drum and bugle corps festival, the stock car races, tractor pulling contest and gigantic fireworks display. All but the stock car races were admission free. In addition, the crowds were large and enthusiastic for the new 4-11 show this year, a horse and pony show Sunday morning and the junior horse show Sunday afternoon.

Over 60 youngsters, the largest crowd of competitors ever, made the children's parade on Friday morning a gala event, and the big parade on Saturday was also the largest ever, with nine marching units adding to the color and excitement. The Junior Fair livestock auction on Friday afternoon saw 33 steers, eight hogs and 22 market lambs sold for a total of \$9,948.96.

front of the Village Hall. The board approved the purchase of plastic letters spelling out Municipal Building, to be installed on the village hall, at a cost of \$127.00.

After some objections by Mayor Cunningham, Mr. Storey and John Conville, architect, the board approved a building permit for the new A & P store in the Plaza. The levy ordinance for the village was approved and will (continued on page 3)

### W. Rosing Dies at 84

William A. Rosing of 1007 Main St., Antioch, for many years prominent in Lake County politics and in Antioch, died Wednesday morning, August 19, at 7:35 a.m. in St. Theresa Hospital where he had been confined since July 4.

Mr. Rosing was 84 years old at the time of his death. He served as supervisor of Antioch township from 1941 to 1955. In 1915, he built the Ford Garage on Main St. in Antioch, and had the Ford dealership from that time until his retirement on August 15, 1953. He was a charter member of the Antioch Lions Club and later an honorary member, rarely missing a meeting until his final illness.

He was born January 28, 1880, at Wooster, Lake in Grant Township, the son of John and Angela Rosing. Mr. Rosing moved to Volo, Ill., where he operated a grocery store and also one in Round Lake. He founded a Ford garage in Round Lake in 1911, then moved to Antioch in 1915 and built the garage here.

He was a member of St. Peter's Church in Antioch and of the Holy Name Society of that church. He was a member of St. Peter of Antioch Council No. 3800 and the Bishop Quarter Assembly in Waukegan.

He married Rose Vogt on April 26, 1905, at Volo, Ill. They celebrated their 50th wedding anniversary in 1955. Survivors are his wife, Rose; one son, Herman E., one daughter, Mrs. Dan (Hilma) Lightsey; and one brother, Joseph A. Rosing, all of Antioch; two sisters, Mrs. George (Clara) Gnerlich, Rolling Prairie, Ind., and Mrs. Frances Rivard, South Bend, Ind.; two grandchildren and one great grandchild.

A requiem mass will be held at 10 a.m. Friday at St. Peter's Church in Antioch. Interment will be in Mt. Carmel Cemetery in Antioch. Friends may call after 2 p.m. on Thursday at Strang Funeral Home in Antioch. Friends desiring may make contributions to St. Peter's Building Fund or their favorite charity. A rosary will be recited by the Holy Name Society and the K. C.'s on Thursday evening.

### Lake Villa Pilot Dies In Crash

Kenneth E. Mortag, 36, of Rt. 1, Cedarcrest, Lake Villa, was killed Monday when his private plane went out of control and spun to the ground near Lake Villa. Mortag, a pilot for eight years with United Air Lines, was the father of four children. His wife, Eunice, said Mortag was practicing stunt flying for an appearance at the Wisconsin State Fair.

### Arrest 8 After Slide Inn Brawl

Slide Inn at Channel Lake was the scene of a brawl Saturday night in which windows were broken and patrons of the place reportedly assaulted.

Sherriff's deputies arrested eight young men, most of them members of a motorcycle gang. The youths were charged with disorderly conduct and released on bond.

Arrested were Rich Donbek, 8823 Heuing, Chicago; Theodore Raumbanos, 2135 N. 73, Chicago; Lawrence Gabl, 8015 Niles Center, Skokie; Dennis Lange, 2661 N. Mason, Chicago; Norman Lenet, 710 Valley View, Roselle, Ill.; Thomas McKilling, 2122 N. 73rd, Chicago; Andrew Chambliss, 4252 N. Mason, Chicago; and George Gluschenko, 2032 W. Haddon, Chicago.

## 600 Shriners, 40 Antioch Units Join Huge Parade

Next Saturday, August 22, will be one of the biggest days Antioch has ever seen—Shrine Day.

The two hour parade and the events that follow are in honor of William M. Weisenborn, Medinah's Potentate. Mr. Weisenborn and his family have been summer residents of Loon Lake, Antioch, for many years.

Shrine Day events are sponsored by the Antioch Chamber of Commerce, the Chain O' Lakes Shrine Club and the Lake County Shrine Club. All departments and officials of the village and the businessmen are cooperating with the committees in charge of Shrine Day to make sure the day will go off smoothly.

The parade will start at 2 p.m. and is expected to last about two hours. After the parade, there will be a break for dinner. During this time various Shrine units will be performing in different places around the time.

In the evening, Shriners will put on a concert and exhibition at the athletic field at the Antioch High School. **EXTRA POLICE TO HANDLE TRAFFIC** Police Chief Walter Scott

reports that about 30 men will be handling traffic next Saturday, including Antioch, county and state police officers and about eighteen firemen who will be pressed into service to aid the police. Traffic will be re-routed during the parade, avoiding Main and Lake St., by using Tiffany Road and North Avenue. Barricades, detour signs and police will direct detouring traffic.

There will be no parking on Main St., Lake St., David St., Victoria and Harden during the parade. **CLUBS AND RESTAURANTS SUPPLY FOOD**

Restaurant owners are putting on extra help for the day, and laying in extra supplies of food so that they will be able to accommodate the huge crowds expected.

The WSCS of the Antioch Methodist Church will serve hot beef sandwiches and complete lunches at the Antioch Grade School cafeteria from 11:30 a.m. to 1:30 p.m.

The Lions Club will be serving a chicken barbecue dinner at the Antioch Pool immediately after the parade. This will be open to the public, in addition to the many Shriners they will serve.

The Moose will hold Open House throughout the afternoon at the Moose Home on Main St. Sandwiches will be served and 200 Shriners will be served dinner.

The Antioch Woman's Club will be holding Hospitality House at the Scout House after the parade, serving coffee and cookies. **COLORFUL MEDINAH UNITS LEAD PARADE**

The parade will include two sections—the Shrine units, followed by the Antioch section.

The Medinah section will include about 600 members of outstanding Medinah parades (continued on page 3)

### I Like Antioch!

By Del Jahneke

Too often, we all tend to cast aspersions on our fair city of Antioch. It's so much easier to always say, "What's wrong with Antioch?" Instead of what's right. Has anyone in Antioch ever stopped to realize that this small community is a most attractive one?

When you travel, you unconsciously compare other towns of the same size. The greatest majority of them give a hodge-podge appearance with their many homes and buildings that are actual "eye-sores"—dilapidated dwellings, tumble-down shacks, patched pitiful portions of once proud portals (how's that for "alliteration"?), unsightly heaps of rusted cans, worn out machinery and piled-up junk, dirty newspapers and empty bottles littering the landscape. Oh, yes, they also have nice new homes and buildings, their "well-kept" older houses among the rag-tag parts of their town.

I don't believe there is a "sub-standard" home in Antioch! Search everywhere in Antioch and see if you can find a "slum area"!!

### Chicken Dinners To Build Convent

The Benedictine Sisters of the Holy Family Convent at Benet Lake, Wis., are preparing for their second Chicken Dinner Festival.

The dinners will be served from 11 a.m. to 7 p.m. on Sunday, August 23. There will be pony rides and games for the children during the day, and booths and refreshments for all.

Last year's chicken dinner was such a success that the Sisters were able to pay for a new well, a septic system and partial payment on an outstanding hospital bill.

Proceeds of this year's dinner will start a Convent Building Fund. The convent is northeast of Antioch on County Highway V.

### Fire Wrecks Car While Owner Fishes

The Antioch Fire Department was called to Haisman's Resort at Lake Marie last Sunday afternoon, August 16, to extinguish a fire in a car parked at a resort. The entire interior of the car was burned and water-soaked, and windows broken before the fire was put out.

The 1960 Chevrolet was the property of Don Goldberg, Chicago. It was not known how the fire started, but firemen conjectured that it could have started from a spark from a nearby picnic fire. The owner and his friends were out on the lake fishing when the fire started.

### Rescue Squad Takes Several To Hospital

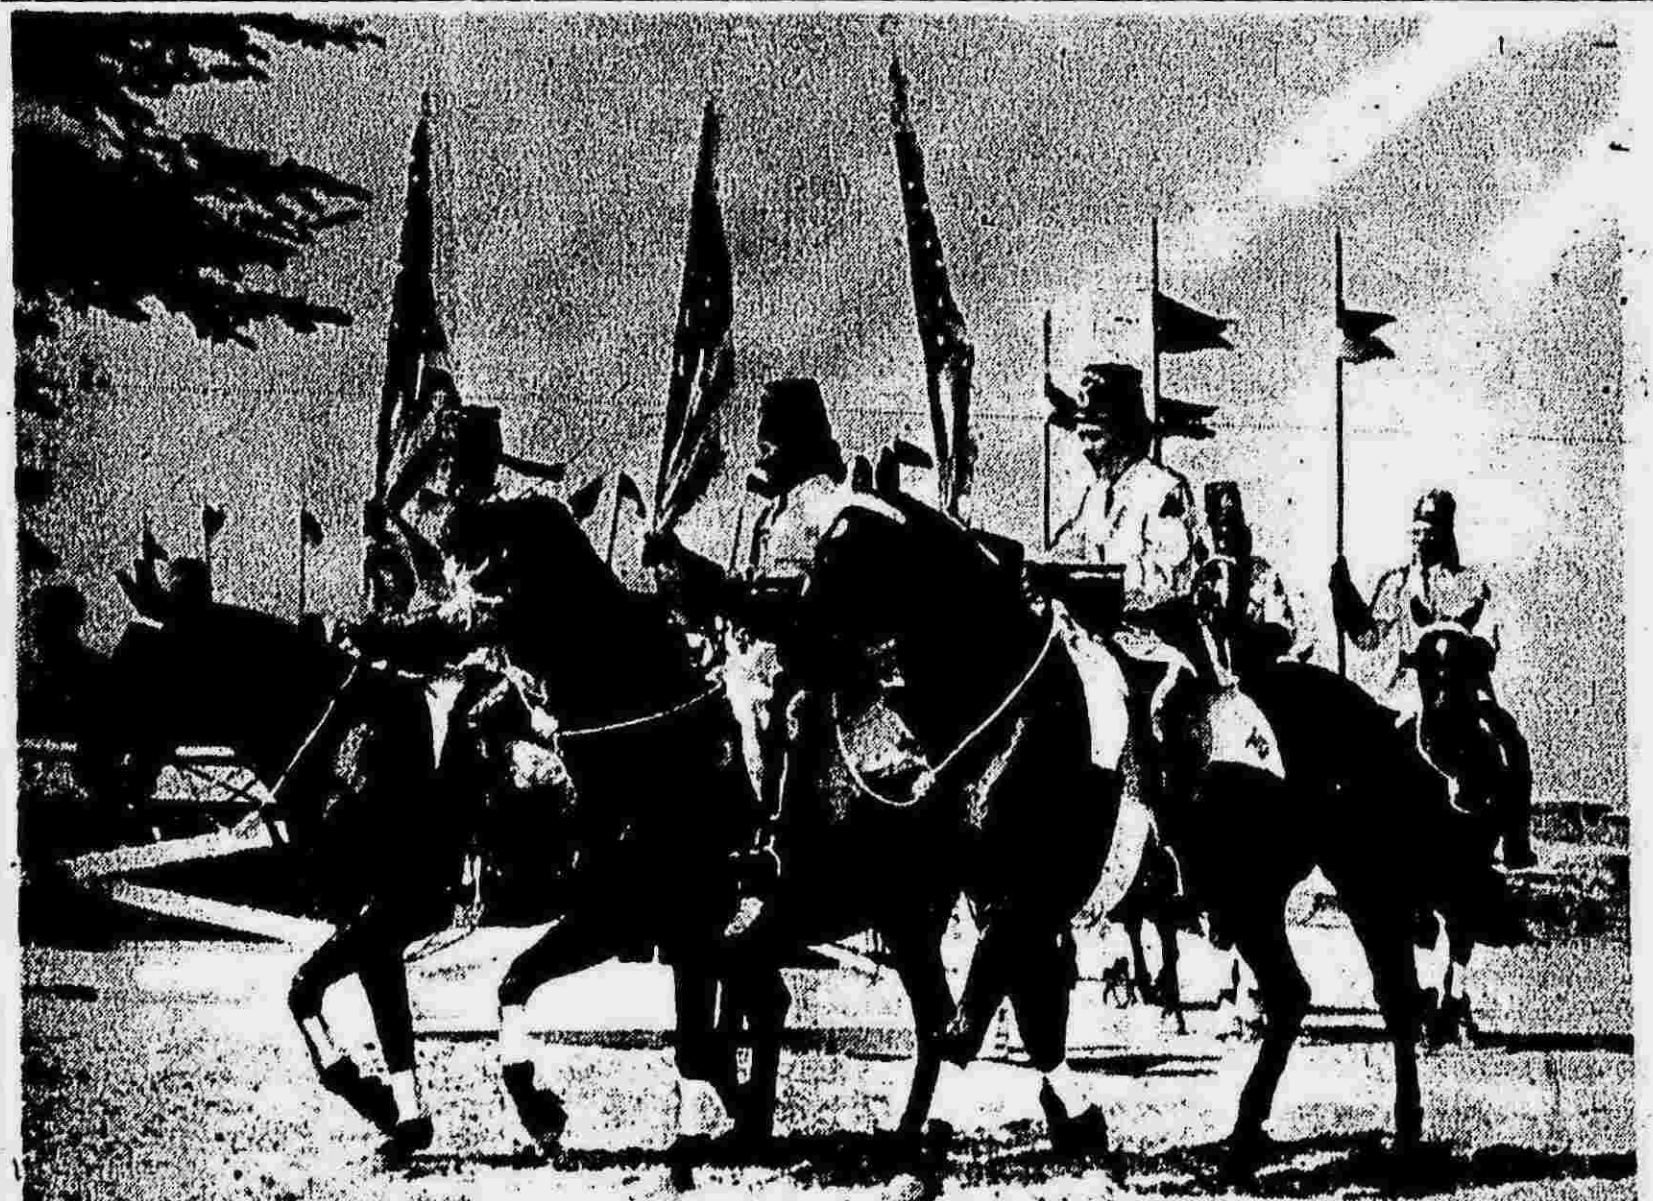

The Antioch Rescue Squad took Elmer Smith, 81, of 3547 West 63rd Place, Chicago, to Victory Memorial Hospital on Monday, August 17, after he injured his hand in a lawn mower.

Smith lost the tip of one finger and another was partially cut off. He was at a summer home on the north shore of Loon Lake.

Mrs. Edna Giard, 59 of 334 Park Ave. was taken to Conell Memorial Hospital with a broken hip on August 16.

Mrs. Don McCellen, Rt. 2, Box 839, Antioch, was taken to Victory Memorial Hospital on August 16, where she gave birth to a baby at 6 a.m. the next morning.

Elizabeth Jorensen, 74, of Rt. 5, Box 414, Antioch, was taken to Victory Memorial Hospital following a stroke on August 17.

THE FAMOUS BLACK HORSE TROOP will be in Saturday's Shrine Day Parade and will perform at the High School athletic field in the evening.

## EDITORIAL

### Welcome, Shriners

We're used to reading in big city papers, about the splendid shows and parades put on by the Shriners in big cities. It's a rare thing for a town as small as Antioch to be host to so famous a group; to be the scene of as large and elaborate a parade as we'll see Saturday.

Antioch's a cosmopolitan little town, though, even if the population figures aren't impressive. It's pretty certain that Shriners will get a warm and hospitable welcome. Certainly every effort is being made, by everyone connected with the arrangements for the big day, to see that things go off without a hitch.

Biggest problems of the day are certain to be parking space and rest rooms to accommodate the thousands of visitors who will flood Antioch Saturday. It's pretty certain that a good many homeowners and business people in town are going to find themselves inconvenienced to some degree.

Every person who lives in the Antioch area is host to the visiting Shriners on this day, and to the hundreds who will be drawn to view the parade and join in the festivities. Let's remember to treat the visitors as we would guests in our homes. And hope that the Shriners will remember Antioch as the friendliest town they've ever visited.

### The Meanest Thief

Harold Sager, alias "Colonel" Harold S. Mc Clintock, has been charged with defrauding the Disabled American Veterans out of more than 2 million dollars.

\$2,000,000.00 is a lot of money. It would have accomplished a great deal for the disabled men for whom the money was intended.

Worse than the loss of the money itself is the loss of public faith in the DAV charities and charities in general. It's a safe bet that the memory of the theft of money intended for charity will come to the minds of many when they are next approached for a contribution. They'll remember, and refuse to give.

This is a reminder that charities have one definite obligation above all others to those who support them—an obligation to put the money they receive to the best use, and to keep a thorough and businesslike check on anyone who handles money or property intended for the charity. In private business, it's your own funeral if you wish to trust someone and find out you're wrong. Charities are handling other people's money, intended for the use of others. They have an obligation to keep the most stringent check on every penny received and disbursed.

An easy going attitude in the financial accounting of the money intended for charity can be worse than dishonesty. It allows crooks to masquerade under the cloak of respectability supplied by the honest but careless person who lends his name to the operation.

President Johnson has been presented with a gold-inlaid auto accelerator, mounted in onyx, by the National Federation of Business and Professional Women because of his action in stepping up appointment and promotion of women to vacancies in top level government jobs.

The President says, "A woman's place is not only in the home, but in the House, the Senate, and throughout government service."

In view of the stories about the president's rather reckless driving, their choice for a gift seems odd. Unless they're hoping he'll treat such a precious accelerator gently.

## Courthouse Notebook

BY LOU DURKIN

There must be a better way to select nominees for judicial posts than the two party conventions with their heavy political accents.

The Republican convention in McHenry last week which saw the election of Associate Judge LaVerne Dixon and Highland Park. Atty Mortimer Singer as the GOP nominee for Circuit Judge was a display of power politics and there appeared to be little concern with the qualifications of the various candidates, although there probably was little to choose between them, at least from a layman's standpoint.

It seems, however, that with scores of attorneys among the delegations that there is a distinct danger of reprisal or favor depending on how successful the attorney delegates are in picking a candidate to back. Probably only a cynic would question the circumstance that finds one Waukegan attorney placing Judge Dixon's name in nomination while his law partner nominates another candidate and probably only a cynic would wonder why the third member of the firm didn't nominate the third Lake County candidate so that all possibilities would be covered and all bets copped.

Many of those attending the convention as delegates or observers were disappointed in the nominations and judging from the reactions you would have to give Judge Philip Yager a good chance to win in November despite the fact that he will be on the Democratic ticket only. Certainly the Democrats are optimistic about the chances of Judge Yager being elected to the post he now holds by appointment and there are some who feel that judicial coalition has been achieved by circumspection or chicanery.

Of course it could never come to pass, but there might be a way to remove the nomination of jurists a little bit from partisan politics by having the nominating convention a non-partisan convocation with the delegation made up only of citizens of the district who had served on a jury during the year immediately preceding the judicial election.

The selection could be handled in the same manner in which the jury lists are picked. This would eliminate attorneys from serving as delegates and you could be fairly certain that the juror-delegates would be free of political associations because who ever heard of anyone with political clout serving on a jury.

We find it strange that in all the talk about the auxiliary county building in mid-Lake County that there has been no reference to the resolution adopted by the county board which specifically provided for such a building being constructed simultaneously with the new county building in Waukegan.

There was no foiling around at that time with special committees and reports, studies to see if such a building was needed or a feasibility study to see if it was possible.

Supervisors from western Lake County had to be taken off the hook and the provision for the auxiliary building was made a part of the resolution that transferred the courthouse square to the Lake County Building Commission.

The optimism with which Lake County Democrats are regarding the upcoming general election is reflected in the enthusiasm being shown by Mark (Tex) Turner, general chairman of the annual Lake County Democratic picnic to be held at the Serbian Monastery Sunday, Sept. 6. According to Turner, who is now sporting an LBJ sombrero, "This sun, is going to be a real Texas size hoe down and will be the biggest, best and most picnic since the Texans annexed the Yewwited States."

## Letters to the Editor

To the Editor:

August 13, 1964 Chief Circuit Judge Charles Seidel of Illinois signed an injunction instituted by the Lake County Bar Association to deny the courts of Lake County to the people of Lake County for any further litigation concerning the construction of a Courthouse Complex by the Building Commission of Lake County.

In 1958 a referendum to build a courthouse in Lake County was defeated by a 2 to 1 margin. The Building Commission was appointed by the County Board of Supervisors to circumvent this vote of the people. Instead of the modest 2 1/2 million dollar court house the people rejected, the politically appointed Building Commission decided to force those same people to pay for a 10 million dollar edifice.

The Association of Collective Taxpayers of Lake County took the people's case to the courts, asking that the right of referendum be guaranteed. Not only has Judge Seidel refused that right, but he has denied Lake County citizens any further legal redress—no matter what gross misuse is made of public trust.

Is it not ironic as visionaries are parading the streets, clamoring and dying to guarantee each citizen the right to vote, by the stroke of a judge's pen that vote can be nullified—not merely nullified, but protest stifled?

## To Stay In Style What It Costs

It happened recently that a well-endowed young matron had dressed for a party in one of those expensive, low-cut fashions and presented herself for approval to her single-minded husband.

"I'm confused by that dress," he said. "Are you inside trying to get out or outside trying to get in?" It's plain that you just can't please everybody. If the car makers were sure of being ninety percent right they could save millions.

Here's what happens to a car body style before you get a chance to turn your nose up at it on the street.

Stylists working with thousands of variations for three years finally decide on twenty. These are made into clay mock-ups at \$25,000 each. Then the pick of these, with the best features of others, are made out of plaster or fiber glass. Add another \$25,000 each. Then the one you finally get is built by hand at around \$100,000 before the multi-million dollar tool-up begins.

Styling expense comes out finally to about \$4.00 a car with mass production, which isn't too bad. Engineering changes average \$58.00 per car.

Nobody really knows what style is except that it goes in 1 year and out the other. Human nature doesn't change though. People still want honest and fair treatment when they buy a car and good service after that doesn't cost too much.

A dealer who supplies them will outlast the styles.

## Twins Club To Picnic

Seeing double? That's what it will seem like at the second annual Twin Picnic which will be sponsored by the Lake County Y-Mothers of Twins Club at Bowen Park in Waukegan this Sunday, August 23. Last year there were over 25 sets of twins gathered together at one time in order to be judged on which set looked the most alike, which set was the most dissimilar, and who were the oldest and the youngest twins present. This year the club hopes to have even more twins represented.

The Twin Picnic is open to all twins and their families. It will start at 3:00 with games and relays for all children, whether twins or not. At 3:30 the judging of the twins will take place. And at 4:00 the picnic supper will begin. Each family is to bring enough fried chicken for themselves, eating utensils, and a casserole to pass. Dessert and beverage will be supplied by the Mother of Twins Club. If you are planning to attend the picnic and are not a regular member of the club, please contact Mrs. Kenneth Mattson, 395-0405.

The Y-Mother of Twins Club, which was organized a year and a half ago, is a member of the National Mother of Twins organization. It was formed at that time by a group of mothers who felt the need to meet regularly with other mothers of twins in order to exchange ideas on problems common in raising twins. Meetings are held monthly on every third Thursday night at the Waukegan YWCA Lounge. Twice a year a twin clothing and equipment sale takes place. Any mother of twins is welcome to attend a meeting and to join the club. For more information concerning the club, Mrs. Mattson may be contacted.

## Two-Thirds of Ill. Roads Unpaved

The latest Bureau of Public Roads breakdown of U. S. road mileage shows that 68 percent of Illinois' roads and streets are unpaved. Nationally two-thirds of all roads are unpaved.

In the current issue of "Highway Statistics" the Bureau reports that there are 127,000 miles of roads and streets in Illinois. Of this total 86,263 miles are unpaved. These are roads with surfaces of soil, slag, gravel or stone.

State officials have earmarked hundreds of miles of unpaved roads and streets for paving—as funds become available. Meanwhile, many of the unpaved roads in Illinois are maintained with a chemical called calcium chloride.

Calcium chloride eliminates dust and provides a smooth-riding surface. It gives road particles a thin, moist coating that keeps dust in its place.

Authorities say the "dust" that blows off unpaved roads onto nearby homes is actually valuable road material. Without it, roads develop potholes and get rough. This makes driving more hazardous, boosts maintenance costs and may postpone the day when the road can be paved.

So officials see the chemical treatment as a good investment in several ways. It keeps citizens happy. It makes roads safer. It saves valuable road material and

ade units. These include the Black Horse Troop, the Arab Patrol, the Oriental Band, the Brass Band, Chanters, the Motor Corps, Clowns and Indians. At the conclusion of the parade, Shrine units will perform in various places around Antioch.

The Antioch section of the parade, under the direction of Parade Marshal John Horan, will follow the Shrine section. More than 40 floats, bands and marching groups from Antioch and nearby towns will be in this section.

A few of the outstanding units in the Antioch section will be the Bristol Band, sponsored by the Antioch Savings & Loan; the Johnson Wax Band from Racine, sponsored by the State Bank of Antioch; the R-Lettes, all girl precision drill team; the Men of Brass from the McHenry VFW; the Antioch Moose Lodge will have a float, a marching group of Moose dignitaries, two cars, and the Moose clowns in the parade. Several Scout groups, and other civic organizations and clubs will be represented, including the Lakes Region Jaycees.

The Jaycees Beauty Queens will join the parade, along with that organization's float. Several Scout and 4-H groups will be represented. Sixteen Oldsmobile convertibles, furnished by John Teresi Motors, will lead the parade, bearing Antioch Mayor Murrill Cunningham and other village officials and visiting dignitaries, both Shrine and others. The Mayors of several nearby towns and cities will join the Antioch parade.

The parade is scheduled to start at 2 p.m. and will probably end about 4 p.m. The parade route will be from David Street east on Lake St. to Victoria St., south on Victoria to the end, turning east on Harden to Main St., north on Main through the business section to the Antioch Aqua Center. The route covers about two miles.

Reaching the pool, the parade will disband. A chicken barbecue dinner will be served by the Lions Club.

## FREE GIFTS AT EVENING PERFORMANCE

The evening performance of the Shrine units will start at 7 p.m. at the old athletic field at the Antioch High School. There will be no admission charge and the Shrine groups are giving a gift to each adult present.

The evening performance is sponsored by the Jaycees, who will have refreshment booths at the field. The exhibitions will last about an hour. There will be performances by the several Shrine groups in the parade.

## The Crickets

By Andrew Kalnik

The sun had reached its daily goal and leisurely sank beyond the horizon. It was dusk. The crimson-hued clouds yet lingered in the western sky and slowly floated in the glowing twilight until even they vanished in the pale mist of the evening.

Darkness spread over the world and night covered the land. Mute silence displaced the noises of the day—the sure signs of vital activities of living things—and every creature, all the children of Mother Earth, were getting ready to retire for the night's repose, except the owl, nesting in the dense branches of a tall cedar, hooted and frightened its prey out of hiding.

Out of curiosity, the moon peeked slyly at the disturber of the tranquility of the night and quickly, in disgust, hid her face behind a black cloud. In the succeeding darkness the night yet more accentuated the indivisibility of the space between this satellite and the nearest star in the firmament.

During all of these eventualities, occurring without remission as the result of inexorable laws of nature, at a certain point of undefinable distance, there walked a traveler over the highway, leading from one extremity of the earth to the other, which only feebly reflected its pale gray surface in his eyes. The night caught up with him in an open field, far away from human beings, far from their habitations. He was sad.

Fear of the unknown oppressed his consciousness and uncertainty dominated his thinking. He felt forsaken, alone in the entire world. . . . All of a sudden, however, as if at a prearranged command, the crickets began to chirp—their age-long nocturnal serenade, repeating their strange monotonous, staccato performance, in the same manner and the same rhythmic beat in which they were wont to display their limited musical talents since ages ago, during an unaccountable number of silent nights.

The traveler didn't mind the monotony of their performance and was glad of it. Errorless, their chirping penetrated the air everywhere and impinged against his auditory senses from every direction: from before him, from behind him, from both of his sides.

A satisfying, cheerful mood enraptured his whole being and awakened his emotions to the full recognition of reality. In a bold gesture he raised his eyes toward the sky and saw a multitude of twinkling lights of stars, beckoning to him from the limitless confines of space, accompanying him everywhere he went and, it seemed, by winking encouraged him to hope for a new, brighter day.

Suddenly, he realized that he was not alone; that not only on earth, but also in heaven, he had numerous hosts of sympathetic fellowship; and that, in the grandiose plan of creation, even crickets had a place.

## Coulson To Discuss Morality In Politics

This Friday, Saturday and Sunday, August 21, 22 and 23, the Kennedy Memorial Conference is being presented at Mundelein College under the auspices of the Christian Family Movement.

Part of the Saturday session will be devoted to a discussion of 'Morality in Politics'. Senator Robert Coulson (R) of this district will be a scheduled speaker during this part of the conference.

THE NEW "WINDOWLESS" HIGH SCHOOL, the James B. Conant High School at Palatine, Illinois, is drawing the attention of educators all over the state.

## New Windowless School Makes Educational History

A new school in Hoffman Estates, Illinois, is fast becoming the talk of educators and taxpayers in northern Illinois. It has three unique features: "windowless" classrooms, central air conditioning and—for its size—a low price tag.

When Superintendent G. A. McElroy and other school officials of the Palatine-Schaumburg High School District were faced with the task of providing a third high school for their rapidly growing pupil population, they decided on a daring new plan. The result is a good-looking, 200,000-square-foot structure that will open its doors in September, 1964, to 1,000 students.

Despite the construction innovations, the school is costing only \$13.50 per square foot, including a paved parking lot facility for 700 cars and other site development projects. The \$13.50 figure also covers the cost of all normal fixed equipment, as well as the cost of a 400-ton capacity air conditioning unit.

The school, James B. Conant High, is one of the first in this area with a central air conditioning system using natural gas, thus making it useable on a year 'round basis, and providing a more suitable learning environment during a conventional school year.

Educators feel that cooling of classrooms in the warm fall weeks just after school opens and in the late spring weeks, helps students to better concentrate on their studies.

The same energy, natural gas, will also be used to heat the new high school in winter months.

According to Eric Jones, a member of the architectural firm of Fridstein & Fitch, Chicago, the school was designed as a square structure to minimize outside wall area and thus hold down both construction and operating costs. However, there is no "boxy" look about the handsome school which contains 52 classrooms, 16 without windows and 36 with less than six linear feet of glass area on the exterior wall.

"Originally, windows were installed to help provide natural lighting and fresh air," Jones said. "But today, with modern heating, cooling and lighting equipment, we can out-perform Mother Nature in controlling the environment of individual classrooms."

planned and directed at headquarters near the Textile and Art Building.

Under the command of Capt. William Hall of the Springfield District, the troopers will work in three shifts, affording around-the-clock law enforcement on the fairgrounds. They will direct traffic, guard money, help lost children and maintain order. About 26 plainclothes troopers will be assigned to investigate crimes in the fairgrounds area.

## GOP Drive Moves Into High Gear

As the Republican election drive moves into high gear, more workers are needed at Republican headquarters in Waukegan, reports Mrs. Harvey A. Metzler, executive secretary of the Lake County Republican Federation.

"Right now we can use volunteer typists," says Mrs. Metzler. "Much of the typing can be done by women in their own homes."

Robert J. Milton, county GOP chairman, says the call is also out for women to do telephoning, precinct work and fund-raising. Political work is not only an important public service, according to Milton, but it gives volunteers an opportunity to meet many interesting people.

"We are not forgetting the men," adds Milton. "Precinct committeemen need block workers to register their Republican voters."

Women and men volunteers can get further information at Republican Headquarters, 335 N. Genesee St., Waukegan.

Henry and Boone Counties, has been doing rural appraisals since joining the Land Bank in 1961 and was accepted into the Illinois Society of Professional Farm Managers and Rural Appraisers in 1962.

## Scouts To Learn About Art Crafts

Demonstrations in art craft projects will be available in workshop meetings to all girl scout leaders, co-leaders and committee members on October 8 and October 15 from 9:30 a.m. to 3:00 p.m.

These demonstrations will be given by Mrs. Adrienne Powers and Mrs. Gladys Zobus. Both ladies are from Channel Lake. Mrs. Powers is a schoolteacher, artist and designer. Mrs. Zobus runs the Channel Lake foot shop. She has been an assistant scout leader and has two girls in scouting at the present time.

These ladies will show how to make various household items into lovely art objects suitable for the fall and holiday season.

## Del Takes Prizes With Publicity

Del Jahneke, Historian and Publicity chairman for the American Legion Auxiliary of Antioch, was awarded two signal honors at the Department Convention of the Legion Auxiliary at the Morrison Hotel on July 31.

Del's History of the Antioch Unit for 1963-64 took third place in the 10th District, so represented her district in the state competition. About 900 units were in the state competition.

Her Press Book for the 10th District was competing with books from all the districts in the State. She was Publicity Chairman for the 10th District last year, and was re-elected this year.

Del's accomplishment seems even greater when you realize that she is partially paralyzed and confined to a wheel chair for the last eight years. She is a correspondent for the Antioch News.

Airman Solar, who was trained in control panel wiring and the operation of punched card data processing machines, is being assigned to an Air Training Command (ATC) unit at Chanute AFB, Ill. His unit supports the ATC mission of training officers and airmen in the diverse skills required by the nation's aerospace force.

The airman is a graduate of Antioch Township High School and a former student at Northwestern Illinois University.

## Sponsor Barn Dance

The Christian Mothers and the Altar Society of St. Francis Xavier Church, Brighton, Wis., are sponsoring a barn dance on August 29, at the Olsen Bros. new barn located on county trunk NN, three miles west of Hwy. 45 and 1/2 mile east of Hwy. 75, in Kenosha County.

This was one of the four barns that burned down within a few hours of each other on June 30, in approximately a five mile area. Lawrence and Leslie Olsen have donated the use of the barn for this event. The barn will be 190 feet long by 36 feet wide and will have room for 72 cows plus calf pens.

The proceeds from the dance are for the benefit of the school building fund. Mrs. Leo Wagner is chairman, with Mrs. Eugene Arnold as co-chairman.

Pete Raith's orchestra will provide the music.

Miss Patricia Wellman, of Flushing, New York, has been visiting all this summer at the John W. Horan home, in Antioch. Miss Wellman will soon be traveling, via jet plane, back to her home, where she will enter nurse's training this fall at the Flushing Hospital, N. Y. Miss Wellman is Mrs. Horan's niece.

Dr. and Mrs. W. C. Petty recently attended an annual County Superintendents of Schools meeting, held in Springfield, Ill.

Mr. and Mrs. Joseph Rhymer have had a busy, happy week, entertaining their daughter and her family, Mr. and Mrs. C. W. Wilkoff and Joan and Bob, from Urbana. On Saturday, August 8, they had a family reunion, with Mr. and Mrs. Carl Witt and family from Clearwater, Fla., and Mr. and Mrs. Orville Hook from Grayslake as guests. Mrs. Witt and Mr. Hook are the niece and nephew of Mr. Rhymer. Mr. and Mrs. Don Anderson and family, and Mr. and Mrs. William Anderson, all of Waukegan were dinner guests on Saturday, Aug. 14. Mrs. Anderson is Mrs. Rhymer's niece. Many of these relatives had not seen one another for years, so these family get-togethers were especially meaningful.

Mr. and Mrs. Alex Hoffman, Grass Lake, held a "Bon Voyage" dinner party in honor of their long-time friends, Professor and Mrs. Russell Weingarten of Glenview. Mr. Weingarten is a professor of the French language at Northwestern University, and his wife teaches French at the Glenview High School. The Weingartens will be leaving for a three week tour of France, and will be living with different families throughout the tour. Mr. and Mrs. John Corrigan of Winnetka (Mr. Corrigan is vice president of the First National Bank of Chicago); the Vincent Block family from Glenview, and Mr. and Mrs. Edward Anderson comprise the rest of the guests at this party. The Weingartens received a gift of money, all of French denomination, and several other nice gifts from everyone present.

## Bernard Stadnik Family Returns from Camping Trip

Mr. and Mrs. Bernard Stadnik and daughters have just returned from a 3,892 mile trip, where they enjoyed ample use of their new "camper-trailer" unit. They first visited the Black Hills of South Dakota, and saw the rock-hewn Presidents' faces of Mount Rushmore; they then traveled to Yellowstone National Park, where they camped four days, saw "Old Faithful" geyser in action, and watched, from a safe distance, a cute little black bear cub demolish someone's picnic lunch! The Grand Teton National Forest was the next scenic spot on the agenda. On the homeward trek, they stayed a few days with the Robert Johnson family at Salina, Kansas. While there, they went to Abilene, Kansas, and made a tour of the Eisenhower museum, home and library. They also stayed a few days at Carbondale, Ill., visiting Mr. Stadnik's sister, and her family, the Robert Loys. Their last stop on their return to Antioch was at Chenoa, Illinois, where Mr. and Mrs. Ben Stadnik live, Bernard's parents. The Stadniks consider this type of camping travel a wonderful experience, and are eagerly looking forward to their next trip.

## Tour Swedish Youth Camps

By Mrs. Bernice Bernau

For six weeks during June and July, Miss Solveig Nelson, 1907 East Burr Oak Lane, Lindenhurst and Miss Lois Gangstead of Forrest City, Iowa, toured Sweden, traveling throughout the young people's summer camps, explaining the way youth work is conducted in the youth camps in America. The E.F.S. Organization, Church Youth Scout and Bible Camp, paid the expenses of the young ladies.

They spoke through an interpreter at several camps, where as many as 1,000 youths attended. One of the largest camps they visited was in Vorgorda, Sweden. The camps were a combination of Scout and Bible Camp. The girls pitched hay, washed clothes, cooked meals, etc., along with the other young people. Miss Nelson was able to speak German and make herself understood, when talking with small groups. The Scandinavian language has many German sounding words.

Miss Gangstead stayed on for another year to attend the University of Oslo.

After leaving Sweden, Miss Nelson went to Haugesund, Norway, to visit relatives of her mother's—aunts, uncles and many cousins, who her mother had never seen, only corresponded with. She enjoyed her visit very much.

Both young ladies had worked as youth counselors at Lutherdale Bible Camp in Elkhorn, Wis., last year. Sunday afternoon, Miss Nelson returned, to work until she goes back to St. Olaf College, in Northfield, Minn. Miss Nelson is the daughter of Pastor and Mrs. Harold I. Nelson of St. Mark Lutheran Church in Lindenhurst.

## Rites At New Meth. Church School Held

Sunday, August 16, the new Christian Education unit of the Antioch Methodist Church was consecrated. The Rev. Timothy B. Reeves, executive secretary of the board of pensions of the Rock River conference, spoke on the subject, "What Mean These Bricks?" Dr. George W. Schreiner, associate secretary of the board of education of the Rock River Conference, brought greetings from the board.

Mr. Clifton Houghton, lay leader, speaking for the building committee, presented the building to Mr. Elmer Eberman, chairman of the trustees, who in turn presented the building to the Rev. Donald M. Cobb, pastor, for consecration. Both the congregation and the leaders participated in the Act of Consecration.

The new building consists of seven classrooms, two offices, a kitchen, and two rest rooms.

The cornerstone of the new building has sealed within it a copy of the souvenir program of the dedication of the present church building dated Nov. 24, 1901, an 80th anniversary program 1870-1950, a picture and story of the ground breaking ceremony for the latest addition Aug. 4, 1963, stories and pictures in the Antioch News and the Waukegan News-Sun, a copy of the invitation to the consecration service and program August 16, 1964.

"Friendship to the delegates" is the appropriate title for the annual flower show to be presented by the Antioch Garden Club on Friday, August 21, from 12:30 to 8 p.m. at the Antioch Savings & Loan Building recreation room.

Members are urging their friends to enter floral specimens and flower arrangements under one or more of the categories.

Mrs. Lloyd Leable is chairman of the show and may be contacted at 395-4209. Visitors are welcome. Refreshments will be served. Admission is free.

On Monday, August 24, the regular meeting of the garden club will be held at the Antioch Savings & Loan Building at 12:30 p.m. Hostesses for the meeting will be Mrs. Edwin Olsen, with Mrs. Harold Young serving as co-hostess.

had no relatives in this country. A requiem mass was held at St. Benedict's Abbey at Benet Lake, Wis. for him at 10 a.m. Tuesday, August 18, with interment in St. Benedict's Cemetery near the Abbey.

### MRS. JEAN K. SMITH

Mrs. Jean K. Smith, 34 years old of Trevor Road near Antioch passed away on Wednesday, August 12, at 9:30 a.m. in Victory Memorial Hospital suddenly during childbirth complications. She was born Sept. 8, 1929 at Frederick, Wis., then moved to Libertyville, Ill., in 1937, and to Antioch 13 years ago. She held membership in Faith Evangelical Lutheran Church at Antioch, and is a member and treasurer of the Ladies Aid of that church. Jean Kiehl married Harry J. Smith on November 20, 1947 at Bristol, Wis.

Survivors are the husband, Harry, two sons, Larry, 15 years and Dan, 14 years, one daughter, Sandy, 10 years, and the baby girl; three sisters, Mrs. Noel (Joanne) Elfering, Bristol, Wis., Mrs. Frank (Joyce) Moran, Trevor, Wis., Mrs. Jerry (Janice) Hassett, Antioch; her parents, Ward and Ida Kiehl, Antioch.

Funeral services were held at 1:30 p.m. on Friday at the Strang Funeral Home in Antioch, with Pastor George Enderle of Peace Ev. Lutheran Church at Wilmet officiating. Interment was in Liberty Cemetery north of Antioch.

### HUGO SCHMIDT

Mr. Hugo Schmidt, 70 years old of Oak Lane road in Grace Subdivision near Antioch passed away suddenly on Monday morning at 8:30 a.m. from a heart attack while he was being taken to the hospital by the Antioch Rescue Squad.

He was born July 19, 1894 in Chicago and resided there until he moved to Antioch several years ago. He married Grace Smith on April 14, 1933 in Chicago. Mr. Schmidt had been a carpenter by occupation. He is survived by his wife, Grace, two sons, Clifford and Bernard, both of Chicago; one daughter, Mrs. Henry (Florence) DiNova, Chicago, and six grandchildren.

Funeral services were held at 1:30 p.m. on Wednesday, August 19, at the Strang funeral home in Antioch. Rev. Donald Cobb of the Antioch Methodist Church officiated at the services. Interment was in Hillside Cemetery at Antioch.

## MOOSE TOPICS

By Mrs. Fred Bartlett

"Welcome Nobles" are the signs you see hanging from almost every store window in town and welcome indeed are the efforts of all to make Saturday, August 22, a special day of remembrance for Antioch.

"Shrine Day" has most of the active members of the Moose working feverishly on different projects for their participation in this great day. A float, two open cars, carrying the women and men officers of the Moose, will ride in the parade. The Legion of the Moose and the Fellowship, all dressed in their colors, will march and the Clowns will perform.

The Moose Home will be open all day and free sandwiches will be served to the Shriner. In the evening a dinner will be served from 4 to 7 p.m. and dancing will take place at the Moose Home following the program scheduled at the athletic field of the high school. From all aspects this day promises to be one of the greatest.

W.O.T.M. The Child Care Committee had their meeting at the home of Evelyn Miller last Monday, August 17, following a Bar-B-Q picnic, with 8 members present.

Discussions of a menu for the dinner to be held in the future took place. The committee worked on the tickets for the dinner which are hand made and hand printed. Refreshments were served following the meeting.

The next scheduled meeting for the Child Care Committee will be held at the home of Elvira Novah of Antioch, on Monday, Sept. 14.

There will be a regular scheduled meeting for the W.O.T.M. this Thursday evening at 8 p.m. at the Moose Home.

### L.O.O.M.

The Antioch Moose baseball team were the winners of the game held at Golf View ball park against the Fox Lake Moose last Sunday. Ed Lindstrom says there will be a return game at the ball park on August 30.

### A.B.C. CLOWNS

The Antioch Moose A.B.C. Clown Club had a very busy weekend. Richard Jergensen and Paul Mallory entertained at Mundelein at a function. Robert Avery and Edwin Petersen went to the Elkhorn Moose corn roast and entertained.

### WINNER LEGION 74

Edwin Petersen, Governor of Antioch Moose, Robert Avery, secretary, and Arthur Anderson, past North Moose and Mrs. Anderson attended the Winner Legion 74 executive board meeting and breakfast at North Chicago Moose Home last Sunday morning.

The next Winner Legion 74 ceremonial will be held at the North Chicago Moose Home on Sunday, October 4.

### THIRD DISTRICT

The next Third District Moose meeting will be held at the Zion Moose Home on Thursday evening, September 10, at 8 p.m. A vice president will be elected at this meeting and there will be prizes awarded to conservation workers.

### American Legion Post And Auxiliary

The Lake Villa American Legion Post will hold a chicken and corn roast Sunday, August 30, at the lot located east of the Lutheran church on Grand Ave. in Lindenhurst. Serving will start at 11 a.m. and continue until all are served. They will have some assistance from the Auxiliary.

### Family Reunion

About 40 relatives and their families gathered at the home of Mr. and Mrs. Fred Teichert of Loon Lake, Antioch, Sunday for a picnic. They came from Wisconsin, Lake Villa, Grayslake and surrounding areas.

### Visitors

August Tanner of Chicago visited friends in Lake Villa Sunday.

Mr. and Mrs. William Smeling and children, Kathleen and Jeffrey of Ada, Ohio, are visiting at the home of Mr. and Mrs. Clarence Perkins.

Norman and Everett Nelson of North Chicago visited relatives in Lake Villa Saturday.

### Local Banker Attends School

John B. Fields, vice president of the State Bank of Antioch, is spending two weeks attending the Graduate School of Banking at the University of Wisconsin from August 17 to August 29.

This will be his second year at the school, which requires two weeks attendance every year for three years to earn the certificate of graduation. Between resident sessions, students are required to do extension work involving problems in all phases of banking.

The school is sponsored by the Central States Conference, composed of bankers associations in 16 midwestern states. Attendance this year will approximate 1,300 bankers from 39 states, the District of Columbia and Central America, with titles ranging from junior officers and department managers to presidents, vice presidents, and board chairmen.

Mr. and Mrs. John Edwards and daughter, Lynn, of Libertyville spent Sunday evening at the home of Mrs. Frank Edwards.

Mrs. Harley Clark and Glen attended the Clark reunion held Sunday at the home of Mr. and Mrs. Walter Fontaine of Gurnee.

Mr. and Mrs. Raymond Hauser and daughters of Menominee, Mich., were over night guests of Mr. and Mrs. Frank Hauser Saturday evening. Mr. and Mrs. Hauser and daughters attended the Clark reunion held at the Walter Fontaine home in Gurnee.

Mary Paulsen, Donna Truax and Virginia White, members of the Millburn Maidens 4-H Club are attending the State Fair at Springfield this week.

The person who has everything should be quarantined.

### Back-to-school time

Back-to-school time is nearer than we think—September 1st, to be exact. Gavin School book and insurance fee this year will be \$4 for kindergarten and \$8 for 1st through 8th grades.

The Jerry Hanlons have just returned from visiting Jerry's family for a week in Minnesota and Betty's mother in Dwight, Ill., where their two youngest daughters, Marilyn and Elaine, are spending a few days.

Arlo (Mrs. John) Kaiser has been undergoing tests at the McHenry Hospital this past week. Hurry home, Arlo.

Talked to Julia Chonis last week, and I must say how lucky we are to have such a dedicated worker in our community! We talked about the sewer situation—no big change in that area to report now—about water sampling, which is still going on with satisfactory results and many other things, among them the 30 mph signs that have been posted recently. Everyone would like to see lower speed limit signs are posted, but unfortunately, in an unincorporated area such as ours, 30 mph is the lowest speed that can be legally enforced.

Lots and Byron Strand and children spent last weekend in Springfield, where they saw all the historical sights, and Byron, who is a member of the Honor Guard of Lake Region Post 703 took part in the annual competition at the Illinois State Fair.

Our Unit 3 Director, Hale Hlevinski, was involved in a minor auto accident on the way home from work last week. His car was hit in the rear by another auto. Hale escaped with some dislocated vertebrae of the lower neck. His wife, Sophia, is taking a correspondence art course and turning out some beautiful paintings in oil and water color.

Welcome to our new neighbors, Mr. and Mrs. G. Broom and sons of 617 Piper Lane and Mr. and Mrs. W. E. Moran and children of 615 Piper Lane.

I would appreciate any subdivision news anyone had for me—phone me at Justice 7-5445. Goodbye till next time.

## New Glarus Has Swiss Festival

Wisconsin's famed village of New Glarus—the state's most unique Swiss community—will present its 27th annual production of "Wilhelm Tell" on the Labor Day weekend, September 6 and 7.

The classic three-hour drama, written by Johann Friedrich von Schiller, is staged in a beautiful natural outdoor amphitheater east of the village.

Other features of the Wilhelm Tell Festival include Swiss music and entertainment in the village park on Saturday afternoon. An Alpine concert is scheduled for 8 p.m. Saturday and Sunday. An art show is held Sunday in the village park.

New Glarus is located 25 miles southwest of Madison on State Highways 69 and 39. The village maintains a year-around Alpine atmosphere.

## Channel Lake News

By Louise Gutowski

Mr. and Mrs. Bernard Gutowski Sr. of Grass Lake Road, Antioch, were feted Saturday evening, August 9, with a dinner party in honor of their 38th wedding anniversary. The party was hosted by the Gutowskis' six children and their husbands and wives, and was held at Joe and Helen's Little Acres, at Loon Lake.

Their children are Mr. and Mrs. Frank (Jenn) Jones, Mr. and Mrs. Bernard Gutowski, Jr., Mr. and Mrs. Melfred (DeLore) Stillson, Mr. and Mrs. Joseph Gutowski, Mr. and Mrs. Leslie (Barbara) Miller and Mr. and Mrs. Ronald (Patsy) Sorva.

The senior Gutowskis have lived in the Grass Lake area for nearly 16 years and have 16 grandchildren. All live in the Antioch area with the exception of the Melfred Stillsons who make their home in DeKalb.

Mr. and Mrs. Joseph Gutowski and children returned last week from a vacation which took them to Michigan, Canada, Niagara Falls, New York, Pennsylvania, Ohio and Indiana. While in Michigan, the Gutowskis stopped in Detroit to visit former residents Tom and Lynn Atwood and family.

Mr. Lou Portalski and three of his children spent the weekend in Louisville, Ky. Lou participated in the boat racing regatta with his SK77 Greyhound and won first place in his class. His daughter, Ceanna, is spending the week in Louisville with friends.

### SCOUT VILLAGE AT STATE FAIR

A million dollar collection of photographic equipment will be on display in "Scout Village" at the 1064 Illinois State Fair, Aug. 14-23. Items in the exhibit will range from the world's first picture-taking device to today's revolutionary electronic camera.

"Scout Village" is a display of the entire Scouting program and will be set up by members of the Chicago Council of Boy Scouts in the picnic area. The boys will pitch tents, cook their meals and sleep there during the 10-day exposition.

One nice thing about close buyers is that they're usually good pay.

## PM&L Tryouts Next Tuesday

By Louise Gutowski

395-1317

Try-outs for Palette, Masque and Lyre's next stage production will be held at the P. M. & L. Theater on Main Street on Tuesday evening, August 25, at 8:30 p.m.

The next regular production, scheduled for October, will be "Outward Bound" by Sutton Vane. This is an extraordinary play with universal dramatic appeal. After taking London by storm, this unique play created a sensation when it was first produced in New York.

The play will be directed by Josef Hunley, who urges everyone with an interest in theatre to audition for the parts. The cast calls for six men and three women ranging in age from 20-80. They are all juicy character roles. Those who are interested in backstage work are also requested to attend the auditions.

### Goulson Invites

### Platform Ideas

Hearings of the Republican platform committee are continuing through this week and next week, with meetings scheduled for Peoria, Champaign and Harrisburg and a concluding two day session in Chicago on August 24th and 25th.

Senator Robert Goulson (R) of Waukegan is this district's only member of the platform committee and this week Goulson invited persons with any suggestions or proposals they would like to see included in the platform to communicate their desires to him. "I'll see to it that their ideas are presented to the committee," said Goulson. "We should be in good shape to present a platform for the Republican state convention at its adjourned meeting, probably in September."

Rambler Classic 770 "Cross Country" Station Wagon

## Year's best savings on a best-selling wagon!

Rambler's Year-End Selling Spree is on now. Even during the regular selling season you could save \$240 or more\* over a top-size Ford or Chevrolet. Now you may save even more because Rambler dealers are really dealing to clear the decks for the '65s. You get smart, sporty looks and more V-8 power than the standard V-8 in a Ford or Chevrolet wagon. With Rambler, too, you get Double-Safety Brakes, Deep-Dip Rustproofing, and other advantages you can't get on the other two best-selling wagons.

Live a little—with your savings, choose from sporty options like reclining bucket seats, console, floor shift (manual or automatic), power steering, power brakes, power windows...and lots more. Drive a Classic wagon to see how much car you've been missing.

Comparisons based on manufacturers' suggested retail prices for top-line 4-door wagons with V-8 engine, heater and front seat belts.

ILLINOIS SPORTS MONTH, proclaimed last week by Governor Kerner, was dedicated with a week-end Sports Festival at Oak Brook, Illinois, at which nearly fifteen thousand people took part in the ceremonies. Photographed during the Quarter Horse races are (left to right) Ron Hoffman, Midwest Auto Champion; Colonel Harold Pick, Illinois Quarter Horse Racing Commission; Governor Otto Kerner; "Pete" Elliott, University of Illinois football coach; Stan Mikita, Blackhawk Hockey player; Red McCarthy, former University of Illinois football star; and Bill Bishop of the Chicago Bears.

## Festival Opens Ill. Sports Month

Oak Brook, Ill.—The Oak Brook Sports Festival, August 8-9, officially opened Illinois Sports Month, proclaimed by Governor Otto Kerner earlier this week.

It is the first such recognition of sports in Illinois. It also is believed to be the first such state observance of sports, nationally.

The weekend festival began Saturday afternoon when Gov. Otto Kerner challenged golfers throughout the state to take to the fairways and match their scores with his in a golf tournament held at York Golf Course in Oak Brook.

Sunday, the Sports Festival got into full-swing with exhibitions including swimming, diving, soaring, sky-diving, soccer and archery as mere preliminaries to an All Sports parade.

At 1:00 p.m., Gov. Kerner met some 500 sports participants ranging from Little League baseball and football to industrial bowling and park district teams and Hall of Fame baseball players. Included in the parade was Lance Reventlow's "Scarab" race car.

According to Michael Butler, vice chairman of the Festival committee, "We've tried to get representation for every single sport in the state."

Among the sports figures on hand for the gala event were: Stan Mikita, hockey star; Chas. Comiskey, former

Charles Comiskey, former baseball team owner; Gabby Hartnett, baseball Hall of Fame; Jesse Owens, Olympic track immortal; Cecil Smith and Bob Skene, polo greats; Maureen Connolly, tennis Champion, and stars from many other sports categories.

Chicago Sports Editor and commentator, John Carmichael, and WBBM sportscaster, John Harrington, announced the parade.

As a tour de force for the day, two championship polo teams met in the first Governor of Illinois Polo Cup match at 3:00 p.m. Governor Kerner presented and awarded the trophy to the winning Oak Brook team.

Oak Brook is a small community built around sports. Located 20 minutes west of Chicago at the intersection of the East-West and Tri-State tollways, it was created by Paul Butler, Chairman of the Cup Committee. The Village features residential and industrial complexes built around a unique 3000-acre forest land and international sports preserve.

In building the village, it was Butler's intent to provide a community with equal emphasis on work and recreation. It has been the subject of national attention by magazines and television.

One of the hardest secrets for man to keep is his opinion of himself.

### Flips & Figure 8 Racing Popular At Speedway

Jim Cossman, present point leader, drove his Chevy-powered late model to another fine win effort in Saturday's feature race at Waukegan Speedway. Jim came from the rear of the pack and held a commanding lead at the checkered flag. Points for the feature and points for winning the fourth heat will put Jim even further ahead in the driver championship contest.

Heat winners were Jack Ester in the trophy dash, Odell Jones in the first heat and Jim Luther in the second heat.

#### TERRIBLE TOM FLIPS

In figure 8 racing, Terrible Tom Atkins stopped the race when he flipped in the infield and required assistance from the safety crew. Tom was only shaken up and walked away from the infield unassisted. Bob Klemm and Butch from Butch's Auto both won figure 8 races. Only one finished the 25-lap feature figure-8 race and the crowd wanted more at its completion. The only thing that stopped promoter Gordon Sill or the drivers was the fact that all the jalopy cars were either wrecked or not running. Saturday night's attendance continues to rise as figure-8 racing is really catching on at the Waukegan Speedway.

REIMER DOES IT AGAIN—Johnny Reimer, current point-leader, after bad luck in his stock car effort at the Wisconsin State Fair, won the 50-lap August Championship at the Waukegan Oval. John is making it a habit, and took home his third consecutive trophy with complete approval from the fans.

#### WILSON'S TWO CAR FIELD

Due to the threatening weather and many scratches early in the evening, officials cut the intermission and threw all eligible cars into the biggest field of 50-lappers this year. On the second lap trouble at the front of the pack caused a re-start which removed two cars from the field. At this time Reimer had moved from seventh row outside to the third row outside. From this point on John moved beautifully through the pack and captured the lead on the 10th lap.

#### SULLIVAN IN SENSATIONAL FLIP

Early in the race Jim Sullivan of Antioch received front end damage, however

did not let off the throttle and continued to press for the lead. Jim was riding in second spot when on the 28th lap, his front end let go. At one point Jim's car was twelve (12) feet in the air as he did several cart-wheels, landing with full impact on the roof of the modified. It was by far the worst accident this season at the Waukegan Oval with the race being stopped and safety crews and officials racing across the infield, to assist Jim. He crawled from his totally damaged modified unassisted and he received no injuries. After being checked by the safety crew and supervising the tow truck's removal of the car, Jim received a thundering ovation as he walked in front of the stands into the pit area.

At the re-start Johnny Reimer continued on to the win easily. Second spot went to Ken Tolugan and third to Geno Wagner.

Heat races were won by Fran Ansili, George Uttech, Jim Sullivan and Jim Lawrence. Fast time went to Roger Otto, Burlington. The crowd helped promoter Gordon Sill celebrate his birthday as a large cake was presented to him on the track. The crowd acknowledged Gordon's efforts to improve the New Waukegan Speedway this year.

A fine crowd turned out for this 50-lap event and every driver in the pits added to another program of racing at the New Waukegan Speedway.

Before marriage, he talks and she listens. After marriage, she talks and he listens. Later, they both talk and the neighbors listen.—Hammond News.

## Wilmot Races Nearing End

Jim Sullivan of Antioch drove his Thunderbird-powered modified to victory in two races here and came two races at Wilmot Saturday night and came within three points of catching up with point leader Roger Otto of Burlington, Wis.

Sullivan won the fourth heat race and then came back to take the win in the 25 lap feature race after taking the lead from Bill Stron of Milwaukee on the 11th lap. Roger Otto finished third in the feature followed by Kenny Tolugan of Milwaukee and then Jim Bozeman of Waukegan. Sullivan made this his third feature win of the 1964 season. Only Tolugan had won three features before tonight.

The exciting night of racing saw Bay Darnell of Deerfield also win two races as he was a double victor, winning a 10-lap heat race and the 15-lap semi-feature. Both Darnell and Sullivan received beautiful trophies for their wins from the 1964 Kenosha County Fair Queen Maggie

### New Law Important To Veterans

A new Federal law passed by the present Congress is of great importance to many disabled veterans in Illinois, according to Mr. Edward B. Akin, Administrator, Illinois Veterans' Commission. This new Law PL 88-361, extended the Junior GI Bill (War Orphans Educational Assistance Act) to children of veterans who are total and permanently 100% disabled by a disability or disabilities incurred during a war period or induction period.

Mr. Akin stated the Bill provided \$110 per month for 36 months for children 18 to 23 years of age, while attending college or vocational school, and that it provided special training for handicapped children needing restorative training. Prior to the passing of this Bill, the Federal Educational program applied only to children of certain deceased veterans.

Mr. Akin advised that disabled veterans who feel that their children qualify for this educational training should contact the Illinois Veterans' Commission office in their area for further information.

You may contact H. D. Blackwell, Service Officer of the Illinois Veterans' Commission at 108 Genesee Street in Waukegan. The office is open Monday through Friday between the hours of 8:30 a.m. and 4:30 p.m.

### New Ladies Major League Formed

A new woman's Scratch bowling league was formed in a meeting at the Antioch Bowl last Monday night.

Myrtle Sampayo was elected president of the new league; Marla Palmer, secretary-treasurer, and Agnes Peterson, sergeant-at-arms.

The league will be known as the Antioch Ladies Major league and will bowl at 7 p.m. on Monday nights. A few bowlers are still needed for this league. An average of 135 or better is required.

### Bowlings Leagues Schedule Meetings

The Ladies Thursday afternoon bowling league will meet at 1 p.m. Thursday, August 20.

The pioneer Tavern league

will meet at 7:30 tonight (Thursday) at the bowling alley.

The Monday night Tavern league will meet at 8 p.m. at

For every man who ever fell in love with a Jeep—a new kind of family station wagon has been born. The 'Jeep' Wagoneer. It's the first station wagon ever built to offer the comfort, silence, speed and smoothness of a passenger car—plus the traction and safety of 4-wheel drive.

It's sheer pleasure to drive. Simple too. One lever puts you in 4-wheel drive. So at a second's notice you can shift into greater safety...from wheel-spinning in mud or snow...from skids on slick surfaces...from getting stuck or going out of control on the highway or off!

The Wagoneer really makes a demonstration worthwhile. It'll be your most exciting 30 minutes behind the wheel in 1964. Also in 2-wheel drive models. See your 'Jeep' dealer.

## Cubs Take League Crown

The Little League Cubs, unlike the Chicago team of the same name, ended the season in first place.

Lyons-Ryan Cubs won the crown last week by defeating the State Bank Tigers by scores of 10-5 and 5-2.

Ricky Nelson outdueled Billy Albano to take the first game. Nelson also contributed a home run and a triple. Chip Gross, Cub catcher, drove in three runs and scored two himself.

In the second and deciding game, both Jim Carlson of the Cubs and John Schafer of the Tigers pitched excellent ball. Bill Erdmann's three RBIs and some sparkling defensive play by Cub shortstop Ron Turvey were big factors in the Cubs' victory.

The Tigers' two runs were scored on Billy Albano's home run.

Team and individual trophies will be awarded at the League banquet in September as will the Sportsmanship Trophy sponsored by the Dairy Queen. The trophy has been on display at the Dairy Queen for several weeks.

League officers hope to have a National League ball player attend the awards banquet and address the boys.

## Start Football Practice At Antioch High

Football practice, the first sign of the approach of the opening of school, will start soon at the Antioch Community High School.

A football meeting for parents and boys will be held in the High School Auditorium at 8 p.m. Monday, August 24. Football equipment will be issued Tuesday, August 25, from 8 to 11 a.m. and from 6:30 to 8 p.m.

Any boy interested in football who has failed to receive a physical exam card can pick one up at the high school office.

Freshman football candidates may pick up their equipment on the afternoon of Thursday, September 3.

Roy Nelson, coach, says that a representative from a sporting goods company will be at the High School Annex on Sept. 3 and football shoes may be purchased or ordered at that time.

All athletes must have a physical examination before equipment will be issued.

## Lots of Fish In Lakes, Says Rudy

Rudy Palenik, of Rudy's Resort at Lake Marie, reports that there's still lots of fish in them there waters. The extremely hot weather sort of spoiled the fishing for a while, though the angler who knew his fish could still catch them.

Lots of catfish, Rudy says. They're catching them on small Golden Roaches and night crawlers.

Stripers are being caught on striped rigs trolling. A few northers are being hauled in, on Golden Roaches also.

Rudy's running a White Bass Derby, come October 1.

## NICC Debates Status Of Hackberry

When the Northern Illinois Conservation Club meets next Wednesday one of the topics under discussion will be the status of Hackberry Island as a game refuge.

There has been a suggestion that the Island may be made into a state park, available for campers. Many sportsmen feel that the Island is a necessary part of the game refuge and that campers will drive the birds and animals away.

The Club is planning a Turkey Shoot for September 6 at the Clubhouse on Route 173.

There will be trapshooting from 7 to 8 p.m. next Wednesday for members.

## Deer Season Opens In November

Dates for northern Illinois deer season are Nov. 20, 21, 22, and 23, William T. Lodge, director of the Illinois Department of Conservation, said last week. Purpose of the announcement is to remove any confusion that may have arisen due to previous announcement.

In Northern Illinois quotas have been filled in Carroll, Jo Daviess, McHenry, Ogle, Stephenson, and Whiteside Counties.

## Music Students At Camp Wonderland

Music classes combined with the pleasure of summer camping are in store for the 150 students attending the Salvation Army's Central Music Institute Aug. 20-30 at Camp Wonderland, six miles northwest of Antioch.

This will be the 30th annual institute which is similar to the National Music Camp at Interlochen, Mich. Enrollment is limited to students 13 years of age and older, who have earned advanced ratings at one of the divisional music camps held earlier this summer throughout the Army's Central Territory.

will be Eric Ball of London, England, widely known as a brass band composer and conductor, and Irwin Fischer, 219 Golf Ter., Wilmette, composer, symphony conductor, professor at the American Conservatory of Music, and organist with the Chicago Symphony Orchestra.

Four major concerts to which the public is invited will be presented in the camp amphitheater at 8:15 p.m. on Aug. 25, Aug. 27, Aug. 28 and Aug. 29. The faculty band and soloists will present the concert on August 29. The concluding concert at 2 p.m. on August 30 will be given

THE ANTIOCH NEWS

THURSDAY, AUGUST 20, 1944

by the student bands and choral groups. Commissioner Samuel Hepburn, Central Territorial commander, will preside at the Sunday program.

Six music classes and rehearsal sessions will be attended daily by each student, with ample time reserved for swimming, boating, tennis, and other recreation. The schedule also includes daily parades and marching drills, flag raising and lowering ceremonies, concerts, a hot air balloon, films and parties.
